LOCATION AND ACCESSIBLE ENTRANCE

The Leonard & Bina Ellen Gallery Art is located in downtown Montreal, on the ground floor of the J.W. McConnell Library Building. The wheelchair accessible entrance is at 1453 Mackay Street (east side, between De Maisonneuve and Ste-Catherine).

1. The ramp is located on the left side of the entrance (north side).

2. Buttons for automatic doors are located to your right.

3. Once you have passed the doors, the security desk will be on your right. Please inform the agent that you are visiting the Leonard & Bina Ellen Art Gallery.

GALLERY ACCESS

The Leonard & Bina Ellen Art Gallery is fully accessible for guests using mobility devices.

1. The Gallery is located across the atrium and the security desk. The doors are entirely automatic.

2. Access measures in place:

- Large print texts available at the entrance;
- Works, vitrines and wall text starts at 107 cm (42 inches) from the floor;
- Audio description of the exhibition focusing on select works available online;
- Mobile version of the Gallery's website with access to *Ways of Thinking* to enhance your experience;
- Pathways are larger than 96.52 cm (38 inches);
- Service animals are welcome;
- Gallery attendants to assist you.

ACCESSIBLE WASHROOMS

Accessible gender inclusive washrooms are available on the ground floor on the opposite side of the security desk across the atrium.

ACCESSIBLE PARKING SPACES

Underground parking is available for the building. The entrance is located just south of the 1453 Mackay Street entrance. Several accessible parking spaces are located on first level.

Unfortunately, due to COVID restrictions, you will have to call security for assistance to reach the ground level where the Gallery is located. Dial 514-848-3717, option 2, and an agent will assist you with the elevator. The Leonard & Bina Ellen Art Gallery understands that this infringes upon the dignity and independence of a guest with accessible needs, and we hope that with future modifications to restriction we will be able to improve accessibility to Concordia University.
